Riverside Partners Teams with Management to Acquire J-Pac, LLC

Riverside Partners is pleased to announce that it has partnered with management to acquire **J-Pac LLC**.

J-Pac is a leading contract manufacturer and equipment maker for medical device and biopharmaceutical OEMs. J-Pac's contract manufacturing division specializes in medical devices, medical packaging and trays, and advanced drug delivery systems. Through its Doyen Division, J-Pac designs and manufactures precision high-volume production equipment for medical device and biopharmaceutical OEMs. J-Pac's customers are primarily blue-chip medical OEMs who participate in high-growth market segments such as cardiovascular, orthopedic, minimally invasive surgery, in-vitro diagnostics, biomaterial, implantable device and drug delivery.

"We are excited to be teaming with Riverside Partners," said Bill McLaughlin, CEO of J-Pac. "Our partnership with Riverside will allow us to invest in our infrastructure so that J-Pac can continue providing innovative products with industry leading quality and service."

David Belluck, General Partner at Riverside, said, "J-Pac's leadership position in advanced medical devices and drug delivery systems makes the company a perfect fit with Riverside's healthcare investment portfolio. The company is a highly differentiated partner with leading medical OEMs. We are excited to be backing such an exceptional management team."

About Riverside Partners

Founded in 1989, Riverside Partners is a middle market private equity firm currently investing Riverside Fund III, L.P. The fund focuses on growth oriented companies primarily in the healthcare and technology industries. Riverside is particularly experienced at partnering with founders, owners and management teams and it brings substantial domain expertise and operating experience to its portfolio companies. The partners at Riverside have managed more than \$500 million in investments in over 50 companies. We are currently focused on companies with revenues between \$20 - 200 million and with \$5 - 25 million of EBITDA.
